INSURANCE WAIVER

PRIVATE, COMMERCIAL AND MEDICARE INSURANCES

Medicare and or your private insurance carrier will only pay for services that it determines to be 'reasonable and customary" under Section 1862 (a) (1) of the Medicare law.

Medicare will not cover any routine physical or routine lab work. Medicare will only cover one well woman exam every two years.

It will be the patients responsibility to very that your insurance will cover any procedure that you are requesting to be done.

Private and commercial insurances will deny coverage for the following reasons:

A. Dr. Linda E. Coleman is not listed as the PCP
B. Patient is not listed as a covered dependent on said plan
C. Patient policy has terminated at time of service and/or patient did not present front desk with a current insurance card.
D. Patient went to a non participating facility for any lab or tests, it is patient responsibility to verify correct lab and/or facility for tests
E. Insurance will only cover a limited amount toward a routine physical and/or labs
F. Routine physicals are only allowed every year or every other year depending on your insurance coverage
G. School, Sports and any other third party physicals are not a covered benefit under any insurance plan

If Medicare and/or my commercial insurance should deny any or all charges then I agree to be personally and fully responsible for any and all balances due.
